

Public Schools Week Program Announced Here

Open House and Programs Will Be Highlights Of Observance

During the week of April 23-27 the schools of the Tahoe-Truckee District will observe Public Schools Week, a week set aside to provide an opportunity to get a better idea and understanding of the schools.

The high school will have open house all day April 27. An invitation is extended to all the people in the community to visit the school all that day.

Classes will be held as usual and in the morning at 11 o'clock the homemaking department will have a style show and tea for the visiting friends. The clothing class will model the garments they have designed, made and remodeled. The food class will be in charge of the refreshments.

The high school art students plan an art exhibit in the store windows down town.

E. J. Stokes, master of the Masonic lodge here, has been invited to speak to the student body at 3 o'clock on the Masons' contribution to Public Schools Week.

The schedule in the Truckee elementary school is as follows:

During the week the various rooms will have bulletin board displays of the children's work in the window at Rascos store. Parents are especially invited to visit their child's room any time during the day and there will be open house at the school on Friday evening, the 27th, from 8 to 9 o'clock.

At Tahoe City, Tahoe Lake School will have open house on Wednesday and a program will be presented between 7:30 and 9 p.m. The Kings Beach school will have morning open house on Monday and Thursday.

The programs in this area are sponsored by Truckee Lodge No. 200, F&AM, and everyone, parent or otherwise, is invited to attend the classes and programs, Nate Sexton, committee chairman, said.

PTA Chairmen Named At Meeting in School

Chairmen for the coming year were announced by William Smisek, president, at the meeting of the Parents and Teachers Association held in the Truckee elementary school on April 9.

Those appointed are Mrs. David Rose, program; Mrs. Frank Giovannoni, membership; Mrs. Earl Brown, publicity; Mrs. Earl Van Uden, magazine; Mrs. William Smisek, hospitality; Mrs. Don Sites, historian; Mrs. Barney Phipps, health.

Superintendent E. V. O'Rourke gave a short talk on the community-school relationship course being conducted in the district. William Englehart Jr. gave an interesting demonstration of his magic lore. Mrs. Ernest Towler was chairman of the refreshment committee, with Mrs. Gene Metter assisting.

The influence of a man as president was reflected in the naming of Frank Giovannoni as chairman of the refreshment committee for the May 14 session.

SP Man Shows Slides Of Europe War Travel

D. R. Anderson, Southern Pacific trainmaster here, last night presented before the Lions Club a program of slides he took while serving with the engineers in England and France during World War II. Guests were Web Peterson of Stockton and Gus Benjamin of Wendover. Robert Seibold was program chairman and Robert Gifford presided.

Baby Shower Follows Pythian Sisters Meeting

Summit Temple 79, Pythian Sisters, paid last respects to Ada Wolfe, grand chief and former supreme representative of the lodge, during their meeting on April 12.

Following the meeting Mrs. Eileen Schuler was guest of honor at a baby shower, with Mrs. Frank Gaiennie as hostess. Gifts were presented to the honoree by sister members and pink and blue were the shades chosen for the appointments of the refreshment table.

FOOD SALE

The Woman's Society of Christian Service announces that a food sale will be held on Friday, April 27, at 10 a.m. in Freeman's Do-Nut Shop. The public is reminded to keep this date in mind.

View Rites Held At Napa; Expired Following Attack

Funeral services for George View Jr., 39, for the past three years a resident of Truckee, who died at Nevada City Friday were held Tuesday afternoon at Napa, his former home.

View, who was employed here at Osburn's Associated Station, was stricken with what was believed to be a heart attack three weeks ago and was taken to the hospital. He improved and for a few days visited with relatives in Napa, returning to Truckee ten days ago. He went to the hospital for a checkup following a recurrence of the attack and failed to respond to treatment.

A native of Napa, View spent his entire life in California.

He is survived by his wife, Edith, and seven children, Sally, Michael, David, Beverly, Eddie, Timothy and Pamela, all under the age of 16 years; his father and mother, ranchers in Napa County, and a sister, Mrs. David VanZant of Vallejo.

Mrs. View and her family have rented a place in Napa and plan to remain there.

Mrs. View's parents, Mr. and Mrs. William Robles, and her sister and brother-in-law, Mr. and Mrs. Alton Kyle, Tuesday attended the rites.

The sympathy of the community is extended to the family.

WHITES HONORED AT PARTY GIVEN BY EASTERN STAR

Tuesday evening, after a short business meeting, Truckee Chapter No. 116, O. E. S., held a party in honor of the 50th wedding anniversary of Mr. and Mrs. Charles B. White.

A program compiled by the worthy matron, Mildred Burch, took them in story through their lives from birth to marriage and on to their 50th anniversary.

People who played a fraternal part in their lives came from Sacramento and Manteca. Messages and letters were received from various cities. As the story unfolded, their bridesmaid of 50 years ago, Mrs. J. R. Dalley of Sacramento, spoke a few words and then Jerry Gordon sang "I Love You Truly."

White, serving five times as worthy patron, saw three of his past matrons present, Mrs. Jennie Canady of Manteca and former Truckee high school teacher, Mrs. Ametta Firpo and Mrs. Elizabeth Bavler, to personally extend their good wishes.

The story of the Whites' life, told as of reading the ledger page in the Book of Human Life, was touching and hearing some of the funny side with the serious side, it brought back many memories to the couple.

A set of square dancers from the Tahoe Twirlers Club clicked their heels in lively dances just as Belle and Charles White had done in their early lives. Another solo by Jerry Gordon, "The Anniversary Waltz," brought the program to a close.

After the program a gift was presented to Mr. and Mrs. White along with a golden basket filled with greeting cards.

The refreshment committee was in charge of Edythe Deaton, assisted by Mr. and Mrs. Gus Benjamin, Azad McIver, Ida Crandall and Bert King.

The table decorations were designed by Val Deaton and was in keeping with the golden wedding theme. The center piece was a large revolving gold bell, with the names of the honored guests. The place cards were individual gold bells designed with their names and the year 50 carried out in the gold and blue color combination. A large cake was beautifully decorated with a gold bell in the center and each individual square decorated in keeping with the occasion.

Roseville Visitors

Mr. and Mrs. John Street, accompanied Mrs. Miles Curran, mother of Mrs. Street, to her home at Roseville during the weekend. Street observed his birthday on April 9.

Guest from Capital—

Mr. and Mrs. A. P. Leitch returned from Sacramento Sunday with Mrs. Harriett Leitch who is their guest.

Baseball Season Opens Here With Game On Sunday

New Faces to Greet Fans On Local Diamond; Verdi Here

N. F. Dolley, manager of the Truckee baseball club, announces that following a work day Saturday to prepare the local field, a game has been scheduled for Sunday afternoon at 2:30 with the Verdi team. These traditional rivals always provide a good game and Sunday's will be no exception.

The work Saturday will consist of hauling dirt to cover the rocks in the outfield and generally overhaul the park.

The local club has a few of the old timers out but a number of newcomers will be featured in Sunday's game, Dolley said.

They will include Tony Donadio, who will coach the team. Sergeant Jarvis of the Travis Field Ski resort and Karl Kielhofer have been lined up to pitch and Ernie Dugan and Freitas will be catchers. Infielders will include Eddie Ulsheimer, Bill Connors, Bob Johnson and Chet Burns and in the outfield Billy Campbell, Bill Martin, Stark and many others.

On Sunday, April 29, the Truckee team will travel to Portola for an afternoon game.

LOWELL THOMAS ENDS LOCAL VISIT FRIDAY EVENING

Lowell Thomas, who concluded his Truckee broadcasting last Friday evening before a packed "studio" at the S. P. depot, dramatized and localized the program with the appearance, as a guest, of M. L. Jennings, district superintendent for the Southern Pacific.

During the broadcast, Jennings spoke briefly of the giant part the S. P. is playing in transporting war materials to the west coast.

In concluding his local talks, Thomas arranged to have one of the huge mallets nearby and as the program was ending, the engine, with George Kamp giving it full throttle, pulled through the station with a deafening noise with the famous broadcaster making his farewell to Truckee and the high Sierra.

Thomas promised to return again next year, if possible, and will stay at one of the nearby winter resorts.

Before departing he expressed his appreciation for the reception given him and thanked the chamber of commerce for the cards of welcome displayed throughout town.

Shooting Stars Shine In Capital Competition

Cecil Clepper took two third places and Al Henry Jr. of Tahoe City had two second places following the competitive shoot at Sacramento April 8. The local marksman, who also included Tom Borneman and Erving Waters, were competing with some of the best experts in northern California.

Cabona's to Show Styles At Wyethia Luncheon

Mrs. Barney Phipps, president, announced early this week that the 12:30 luncheon and fashion show to be given tomorrow in the Wyethia Club for members promises to be an interesting event on the club's calendar. Reservations were closed on Monday so that final arrangements could be completed for the affair.

The fashion showing by local models of spring and summer styles from Cabona's Store will follow promptly after the serving of luncheon which is scheduled to conclude at 1:30 o'clock.

FOURTEEN

The 14th birthday of Sharon, daughter of Mr. and Mrs. Tony Pace, occurred on April 14 and was the incentive for special observance in the family circle.

Sun Beams

by Walter M. Barrett

The observance of California's 32nd annual Public Schools Week to be held from April 23 to 27 will highlight once again the vital position of our public education system in the American way of life. It hardly need be said that our public schools deserve the support of all citizens whether they have children attending classes or not. That support can take many forms. Willingness to serve on school boards, to be active in Parent-Teachers activities, to back appropriations necessary for the maintenance of proper school facilities and reasonable salaries for educators, to visit the classrooms when the opportunity occurs and to express appreciation to the teachers who serve so faithfully in their tasks. That the America of tomorrow can be only as fine as the schools of today is self evident. The rising generation will face increasingly grave problems and they will need the best of training to cope with them. Let us see that they get it.

In paying tribute this week to Mr. and Mrs. C. B. White on the occasion of their 50th wedding anniversary, the people of this district honored a couple who have well earned the high position they hold in the community. They have spent their entire married life here and have contributed vastly to the development and progress of the business and social life of the region. We join in extending our most sincere best wishes to those fine citizens.

INTERESTS VARY HOBBY FESTIVAL ENTRIES INDICATE

Hand-made dog team sleds, flower arrangements, copper craft and antique china are a few of the many exhibits already scheduled for the American Association of University Women's Hobby Festival to be held July 20, 21 and 22 at the Tahoe City school. Posters containing entry blanks are still on display in local stores for the hobbyists who have not yet entered the show.

According to Mrs. C. C. Warner and Mrs. C. E. Beavers, co-chairmen of the event, Truckee exhibitors include Mr. and Mrs. C. R. Heller, who are exhibiting rare smoking pipes and antique china, and Mrs. N. F. Dolley, whose flower arrangements and ceramics will be on display. Harry Johnson of Tahoe City is showing his dog team sleds and Mrs. Don Painter is exhibiting her prize-winning collection of hand made dolls and their wardrobes. Stan Martin of Tahoe City will display his woodworking and furniture making talent and Foster Record is bringing Jack and Jill, a pair of line bred pedigreed chinchillas to the festival.

Other exhibitors and exhibits include the H. M. Holmes family of Kings Beach, wood turning, lapidary work, ceramics and a shell collection; Mrs. Jesse Brown of Lake Forest, copper craft, leather work and basketry; John Burns, Tahoe City, monthly weather chart for Lake Tahoe for the past 15 years; Mrs. C. W. Vernon, Tahoe City, painting and pine needle basketry; and Mrs. Arthur E. Frodenberg, Tahoe City, handmade rugs.

Pot Luck Dinner Planned By Pythians April 27th

Knights of Pythias, Pythian Sisters and their invited guests will enjoy a pot-luck supper on Friday evening, April 27, at 7 o'clock which is being arranged by members of Summit Temple 79. A small charge will be made for the dinner plate.

Mesdames Jack Ellis and Paul Archer are on the supper committee. A Sunshine Council will be formed to include girls and young women from 10 to 20 years of age who will become future members of the Pythian Sisters, Mrs. Ray Roberts, M.E.C., announced.

Traffic Increase Over Highway 40 Shown In Report

Diminishing Snow, Balm Weather Expected to Boost Travel

More than 4,000 more vehicles came into California by way of Truckee during March than in February, the bureau of plant quarantine of the state department of agriculture reports. The passenger count was up more than 10,000 over February.

During March 18,029 cars, 2,681 trucks and 478 busses were checked going west at the local quarantine station, with a total passenger count of 55,883, as compared to 14,125 cars, 2,412 trucks, 489 busses and passengers totaling 45,595 during the preceding month.

Truckee was still in fourth as a point of entry into the state and topped all other northern California ports.

State Line on Highway 50 reported 3,166 cars, 115 trucks, seven stages and a total passenger score of 8,229, the same report shows. Highway 40 had nearly six times that number.

Due to the low snowpack in the high Sierra and mild weather in the state as a whole, traffic is expected to show a still further increase this month.

Early openings of mountain passes now closed, such as Carson and Sonora passes, will offer new routes to tourists and many more are coming to California to make their homes.

The rapid expansion of the civil defense program is attracting many to this state, according to bureau inspectors, although the influx so far has failed to approach that of World War II years.

FIRE DEVASTATED BALD MNTN. AREA GETS NEW TREES

Thirteen local men have been employed by the forest service at Truckee for planting of 27,000 ponderosa pine seedlings in the 1949 Bald Mountain Burn, four miles south of Truckee in the Tahoe National Forest, according to Edward E. Boehm, district ranger at Truckee ranger station. Money for such planting was made available through the sale of burned timber in the area.

Just what the survival will be is not known but the survival in planting in the Boca Burn was 50 per cent.

Fire-killed timber with the burn has been logged by the Tahoe Timber Company of Reno. An additional 40 to 50 thousand trees will be planted in 1952 on the portion of the burned area which is yet to be logged. The trees are spaced eight feet apart, which gives about 720 trees per acre.

Patrolman John Pedri Is Academy Instructor

State Patrolman John Pedri, who has been assigned to the Truckee squad for the past several months, left Monday for Sacramento and will be an instructor at the Patrol Academy to be conducted near there. He hopes to be reassigned to Truckee following the school.

Nominating Committee Report Due at Chamber

The nominating committee is expected to make its report to the Truckee Chamber of Commerce meeting tonight. The session will be held at Hill Top Lodge and will start at 7:30 o'clock. Other matters of importance will be discussed, according to Secretary Winifred Kamp.

FAMILY DINNER

Kathryn Gail, daughter of Mr. and Mrs. Lester Braasch, celebrated her birthday at a family party on April 11. Two candles lighted the cake and gifts were opened by the honor guest, Mr. and Mrs. W. A. Bottell were dinner guests.

Warning Issued By Officials As Fire Season Near

Between April 15 and December 1 of each year, burning within the Truckee District of Tahoe National Forest must be done under permit.

The forest service is asking that those who have large quantities of burning to contact their local officer in charge and secure a permit.

Until such time as it is necessary, burning permits will be issued without hours of restriction. Later in the season burning permits can be secured only for a specified day and between the hours of 7 and 12 p.m. and in the mornings between 4 and 8 o'clock.

It is pointed that burning in screened incinerators can only be done under permit and after a forest officer has made an inspection of the incinerator. Burning in incinerators will be allowed only at the times as specified above. The purpose of strict enforcement of burning hours is to protect the property owner from uncontrolled fires.

It is impossible for forest lookouts to determine if a fire is a controlled burning or loose fire when they first start.

FLORIST TO OPEN GATEWAY SHOP ON APRIL 28TH

On Saturday, April 28, Truckee's first floral shop will open at the Gateway Shopping Center, one mile west of the post office on Highway 40.

The operators will be Mrs. Claude Harrison and Mrs. Harry Stout, both coming here from Auburn, where the former operated Auburn Florist. Mrs. Harrison's husband is employed by Stockton Box Company here and Mrs. Stout's husband is in the logging and lumber business. The Harrisons are living at Sierra Tavern and the Stouts, with their three-year-old daughter, Linda, will make their home at Soda Springs.

Donner Florist and Gift Shop will feature cut flowers, corsages, potted plants, bedding plants, ceramics and planters.

Death of Ed Schnerr Near Fresno Reported

A brief message stating only that Edward Schnerr, former prominent property owner in the Carpenter Valley district, was fatally injured in an accident earlier this week has been received here by E. E. Boehm, Truckee district forest ranger, from Bryce Euer, who in March purchased Schnerr's holdings. No details were given. Schnerr had been residing in Reno and the accident occurred in the Fresno area.

Truckee, Tahoe Scouts Joint Meeting Tonight

Members of Boy Scout Troop 7 of Truckee will journey to Tahoe City tonight to meet with Tahoe City and Kings Beach Scouts. The purpose of the meeting is to plan for a camporette of the three troops at which boys will receive training for competitive camping at Grass Valley during campore May 19-20.

Clarence Beavers of Tahoe City will be speaker of the evening and will talk of fire prevention and control.

150 Servings Made At Spaghetti Dinner

One-hundred and fifty spaghetti dinners were served by the Parents and Teachers Association in the Truckee elementary school on Saturday evening, April 14, assuring its success.

Mrs. Frank Giovannoni, chairman, and Mrs. Earl Brown thank everyone who donated food and assisted in the serving and preparation for the event. Those assisting them were William Smisek, Frank Giovannoni, Fred Pedley, Don Sites and Mesdames L. Deckwa, W. Smisek, D. Sites, F. Pedley, Elden Tonini, Barney Phipps and Miss Virginia Angelo.

All dishes that have not been returned may be picked up at the elementary school kitchen.

District Moves To Provide New Power Source

Small Industries Would Be Attracted Here By Cheaper Energy

In keeping with the original policy for which it was organized in 1927, to give customers of the district the cheapest possible power consistent with sound operating economy, the directors of the Truckee Public Utility District have passed a resolution stating that there is public need and necessity to obtain a cheaper source of power than is now available, Manager C. Edmunds announced.

The resolution authorizes, instructs and directs Edmunds to proceed with the necessary steps to explore, investigate, study and survey the possibility of developing an economical source of power within the watershed of Lake Tahoe and the Truckee River and to take all necessary steps in the name of the district to bring this about.

Edmunds stated that "in line with the resolution, a preliminary study was already underway to ascertain the most advantageous location for the development of power in this region. Several locations are being considered and after some further field investigations are made, an engineer will be called in to make a more extensive survey and study."

"It is expected," said Edmunds, "that some funds to carry on this work may be made available by REA."

"Cheaper power," he continued, "should further encourage small industries to locate hereabouts. The district's electric demand could be doubled if cheaper power were made available."

"Throughout the nation," the manager said, "municipalities, co-ops and other local public bodies are accelerating expansion programs because of steadily increasing loads."

The almost insatiable demand for electric power is certain to tax the energy requirements of the nation during the next ten years, he added. The electric power market has confounded so many prognosticators and continues its amazing rate of increase.

"More cheap energy is going to waste in our rivers and streams with each yearly runoff of our snow fields. It is high time we locally started to capitalize on this great natural resource," Edmunds concluded.

TWO BADLY HURT IN AUTO MISHAP NEAR HIRSCHDALE

Three motor vehicle accidents, one of which sent two men to the hospital, were reported during the past week by the California Highway Patrol.

Harold Fischer, 31, and Joseph Kowalchuk, both of Reno, were hospitalized after their car collided with an automobile transport truck half a mile east of Hirschdale Thursday night. The truck was operated by Vernon Perkins, 39, Richmond, who was not injured. Patrolman William Gautsche cited Fischer for driving without due caution, being on the wrong side of the road and not having an operator's license.

Albert Lee Fechner, 20, Sacramento, escaped with minor injuries when his car went out of control after a tire blew out half a mile west of Truckee Saturday evening.

Citations were issued to Herbert Barham Roberts, 26, South San Francisco, after a vehicle he was driving got out of control on Donner grade and was wrecked, resulting in injuries to Leon Motta, 27, also of South San Francisco. Patrolman Roy Stallard cited the driver for not having his car under control in a mountain area and not having an operator's license.

Cub Scouts Take Tour Of Truckee Rail Yards

Twenty-two members of the Truckee Cub Scout pack Saturday made a tour of the Southern Pacific yards here, guided by Agent Earl Stice. The visit was made in connection with the national Cub Scout observance of April as railroad month. Highlight of the tour was a ride on a mallet engine around the balloon track back of the roundhouse.

Accompanying the boys were Mrs. Fred Pedley and Mrs. Les Deckwa, den mothers.

SWANEE'S TAHOE LETTER

Tahoe City, April 16

Dear Tahoeites:

Dr. Nessim dropped by our house tonight following a visit to Theodore Schluter of Tahoe Club team (which, according to Park. Am happy to report that the rules had to be composed of Theodore is greatly improved two boys and two girls) came in

since his recent serious setback and the doctor believes he should, with the continued good care of his loving wife, Fern, be up and about again before too long.

Also recuperating is Lewis Fellows who has had a siege of measles which kept him from participating in the big Bee ski meet at Sugar Bowl over the weekend. The Lake Tahoe Ski Theodore Schluter of Tahoe Club team (which, according to Park. Am happy to report that the rules had to be composed of Theodore is greatly improved two boys and two girls) came in

11th in the big meet, with two substitutes serving at the last minute. Original team was to have been Lewis, Duane Pomin, Penny Jenkinson and Bob Pomin. Those who entered were Dockham, Penny, Charles Smith and Collette Morhain of Truckee, Duane too being listed on the sick list.

Mrs. Jeannette Mitchell of Sutter rushed up Wednesday when notified that a window in her house at Sunnyside had been broken and it looked like en-

trance had been made. Upon arrival she found the window was one that she herself had broken when she forgot to bring along her key and the carpenter had not replaced the glass as requested. She spent the night with me and returned home the next day, relieved that nothing had been stolen.

Older residents at the lake will be interested to learn that Lieut. David Roy Spencer left Reno last week for Camp Stoneman, Calif., following his transfer from Fort Sill, Okla. He is leaving for duty in the Far East. Spencer, his wife and four children visited several days with his mother, Mrs. Helene Spencer, in Reno. The lieutenant attended both the Tahoe grammar school and high school, later transferring to Carson City. His parents lived in Lake Forest, his father being a stone mason here. He is a veteran of five campaigns in the European theatre during World War II. His wife and children will reside in Santa Clara during his period of overseas service.

Mrs. D. M. Brodehl of Lodi, mother of Mrs. Jay Shontz of Tahoe City, spent the weekend at the Shontz home. Accompanying her were her son and daughter-in-law, Mr. and Mrs. E. R. Brodehl, and son Andy of Lodi. Janice Brodehl is pending the season with the Shontz family and attends high school at Truckee. She will return in the fall to live with the D. M. Brodehls.

Met Mrs. Ruth Droste in Reno last week and she informs me that the Tahoe Realty office at the wye will open up for business on May 1. She is looking forward to a lively summer. Tahoe's streak of perfect sunny weather has been only slightly

Mrs. W. E. Johnson and Mr. and Mrs. Charles Van Atta and daughter, Jane, from Bakersfield were weekend visitors of Mr. and Mrs. A. E. Abbott.

Supervisor and Mrs. Frank Paoli from Applegate attended the Lake Tahoe Chamber of Commerce dinner at Cal-Vada Saturday.

The A. J. Hendricks were at their home on Bear Street, Kings Beach, last weekend. They spent the winter visiting his 83-year-old mother in Kansas City. On the way back they visited Mr. and Mrs. Tom Drury in San Bernardino and friends in San Diego. The Drurys expect to return to the lake before the opening of fishing season April 28.

broken by the past two days which dawned bright and sunny but changed to dark clouds with thunder and lightning and scattered showers before the day was over. Robins and bluejays are back, chipmunks too, and last week I picked the first violets in the yard, so summer is surely here. In a little over a week the fishing season starts and already boats try to spot the big ones.

And speaking of fishing, we hear one Kings Beach resident, Hubert L. Williams paid a pretty penny in Judge C. W. Vernon's court—\$300 no less—for jumping the gun and throwing his line in the Truckee River at the bridge in town. He was apprehended by a forest service officer who assisted in prosecuting the case with the state fish and game patrol. Fishing tackle in his possession served as evidence, his yen for trout proving expensive. Ring off for the week and hope this finds you all in the pink. As ever, Swanee.

Widow of Log Victim Is Given Death Award

The Industrial Accident Commission has today approved a death award of \$7500 to Mrs. Maudie Kennedy, Planada, Calif., widow of Charlie C. Kennedy, who was employed as a logger by the Tahoe Lumber Company at Hobart Mills.

Kennedy was struck by a log September 27, 1950, resulting in his death while working at Hobart Mills, near Truckee.

There are three minor children, the oldest 13, the youngest two. It may be recalled that Kennedy was employed on the company's payroll as Jack Reed. An

investigation by local officers revealed that he was an escaped convict from the Bass Lake, Yosemite Valley, road camp, where he was serving a term after conviction in San Diego county in 1947.

Hospital Work

Work on the Tahoe Forest Hospital, which has been delayed during the past few weeks because of weather conditions and material shortages caused by the need for defense orders, is expected to be resumed immediately. Efforts by the hospital board to secure the necessary orders for the contractor, John Shreck and Son, were being made locally.

DAYLIGHT SAVINGS STARTS ON 29TH; SP STAYS STANDARD

With the days lengthening and warm evenings predominating, many people are wondering about daylight saving time. According to the state law, clocks and watches should be set ahead one hour on the last Sunday in April at 2 a.m. This year that day occurs April 29. Standard time will be resumed at the same hour on the last Sunday of September. During daylight saving time in California, Southern Pacific will continue to operate all of its passenger trains on standard time, as required by federal law, it was announced by Fred E. Watson, general passenger agent for the railroad's central district. For public convenience, however, most of the company's trains operating entirely within California will have schedules one hour earlier than at present so that departures and arrivals will be the same by the clock as at present, conforming generally to the times with which travelers have become accustomed, Watson said. All regular SP time tables will show train schedules in standard time, one hour earlier than daylight saving, and all of the railroad's station clocks will show standard time.

Visiting Daughter—

J. E. Bick, retired Southern Pacific agent, has been spending a few days here with his son-in-law and daughter, Mr. and Mrs. W. A. Loynd and visiting local friends before returning to his home at Sunnyvale. In Sacramento. Mr. and Mrs. Earl Brown of Truckee and family spent a few days last week in Sacramento.

gan. compares our mountains favorably with his native Bavarian Alps. and opines that we have much better roads. Mrs. Ralph Graham writes from Sacramento: "The Ed Payen winter home near White Rock burned last Sunday. We had been out there and spent a lovely day but just as we were leaving at 7 p. m. we saw the roof was on fire. We were able to save some of their belongings but the house itself burned flat. the Payens' friends, kin and neighbors here will be sorry to hear this."

TEMPER SHOWERS BEFORE GETTING IN

Needless to say, it's a poor practice to get under a shower before it's completely adjusted to the correct temperature. Bad burns result from being too hasty. Also never take a shower without first placing a rubber mat under your feet. Nothing can make things more slippery than soapy water.

Hundreds Pack Cal-Vada Saturday For Lake Tahoe Chamber Dinner

KINGS BEACH—The "standing room only" signs were out last Saturday night at Cal-Vada Lodge for the Lake Tahoe Chamber of Commerce dinner and membership rally.

The estimated 500 persons attending had to be served in three

sittings and view the entertainment program in two performances. Dinner was served to well over 300, with scores being turned away from the tables.

Entertainment features included performances by the Tahoe Twirlers, square dancers' group; the Four Tones, Reno men's quartet, and Stan Jones, "Tahoe's own song writer", up from Hollywood. Speakers during the evening included Dave Gaynor, president of the Auburn Area Chamber of Commerce, who extended greetings from his group and the Placer County Chamber of Commerce; J. Jeffers, public relations manager, and Ray Kronmeyer, convention manager, of the Reno chamber.

Highlight of the session was the introduction of Ross H. Frank, new secretary manager of the Tahoe chamber, by Harry Stuble, master of ceremonies.

A seven-piece orchestra from Reno provided music for dancing. A potted plant graced each table and these were given away to ladies present and other miscellaneous gifts were distributed.

The entire check for the evening was picked up by the managers of Cal-Vada, Joby Lewis and Phil Zallut, and the proceeds of the affair all went into the chamber's treasury.

SEEK TO REDUCE SPEED LIMITS IN TAHOE AREA

The Lake Tahoe Chamber of Commerce, through its first vice president, C. W. Vernon, requested the Placer County board of supervisors to reduce speed limits in the Lake Tahoe area.

The resolution asked that the limit be reduced from 55 to 35 miles per hour with the exception of those areas now zoned at 25 to 35 m.p.h. A similar request was sent to the El Dorado County board of supervisors and the Nevada state highway commission.

The board ordered County Clerk L. Rechenmacher to write to C. H. Whitmore, in charge of state highways in this district, at Marysville to inquire about possible speed limits which could be established in the Lake Tahoe area.

At the same meeting, the supervisors passed a resolution fixing the time and place for hearing protests on the North Tahoe Public Utility District annexation 1950-52. The hearing has been set on Thursday, April 26, at 10 a.m. in the court house at Auburn.

Women's Club to Choose New Officers Soon

TAHOE CITY—At the last meeting of the Women's Club of Tahoe in community hall here, Mrs. Everett O'Rourke, president, appointed Mrs. Louise Geier, Mrs. Vera Frazier and Mrs. Irene Cunningham to the nominating committee. They will present the names of prospective officers to be voted upon at the club meeting on May 3.

Mrs. Geier and Mrs. Frazier were appointed to attend the AAUW meeting last Monday at the Tahoe Lake School at which the Women's Club was invited to prepare and serve refreshments at the AAUW-sponsored Hobby Festival at Tahoe City July 20, 21 and 22.

Mrs. Beulah Carnell and Jimmie Martin were refreshment hostesses at Thursday's meeting and Mrs. Anne Anderso and Mrs. Ida Simmonds are to serve at the May 3 meeting.

SEEN AT TAHOE
Among Tahoe residents noted up from winter quarters over the recent weekend were Mr. and Mrs. Ollie Meek and Bert Scott, Piedmont; Mr. and Mrs. Louis Marston, San Francisco; Mrs. Jeanette Mitchell, Sutter.

Telephone service is always homemade, in and for each community we serve. Here a cable goes into service.

MORE HOME-TOWN SERVICE FOR WEST'S HOME TOWNS

We're putting many millions more into telephone facilities this year

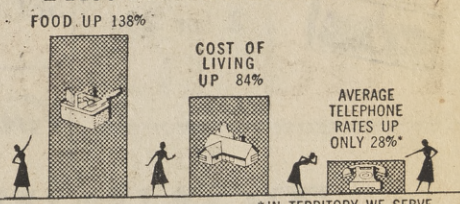

1. All across the West, in the country and in the cities, telephone people are still hard at it expanding and improving the telephone system. For our population continues to grow. The demand for new telephone service goes right on... in spite of our having doubled the number of telephones in use in the past ten years. And doubling the amount of money invested in the telephone business in just five years.

3. It's taken a tremendous investment to build to serve the million and a half new telephones we've added since 1945. And, building as we have in the face of inflated costs, the equipment to serve a new telephone has averaged about \$400. Before 1940, the average was about \$250. Yet rates are up far less than our costs of providing service... on the average less than half as much as the cost of living. Your telephone is one of your budget's best friends.

2. New facilities, installed in just the past five years have increased our plant \$660,000,000, the largest expansion program ever executed by any public utility operating company. Again in 1951, we'll put many millions of investors' money into the West. Much of the material we will use will be purchased in the West's towns and cities. Certainly most of them will benefit from the program's jobs and payrolls.

Heavy Fines Assessed For Forest Violations

TAHOE CITY—Failing to pile and burn logging slash in the Lake Tahoe area of the Tahoe National Forest brought a total of \$1900 in fines to two logging contractors this past week, the forest service reports.

Alton Jacks of Reno was fined \$800 by Justice of the Peace, C. W. Vernon in Tahoe City for violation of Placer County Ordinance 147. Also in the Tahoe City court, John K. Schultz of Tahoe City was fined \$600 for a similar offense.

In the justice court at Kings Beach, Justice Harry Harrison fined Jacks \$500 for not complying with the same ordinance in cleanup of slash in logging areas.

Sportsmanship Awards Given High Schoolers

In the first year that the Babe Ruth Foundation awards have been presented here, seniors, juniors and sophomores of the Tahoe-Truckee high school yesterday voted to make the awards to Mary Boyce and Simon Dominguez.

The award is presented on the basis of sportsmanship in the home, school, church and community during the year. The school has a plaque upon which the names of the winning students will be engraved each year for the next 12 years and each of the students will be presented with a Babe Ruth medal.

\$450 or Six Months Given Topsy Driver

Claire Charles Franey, 45, Daly City, started serving a six months jail term here in lieu of a \$450 fine imposed Monday by Justice of the Peace Fosten W. Wilson following Franey's conviction on a drunk driving charge.

Wilson was advised that the offense was the third of its kind during the past year.

Franey was arrested by Patrolman Roy Stallard Sunday. He was accompanied by three hitchhikers who told the officers they received a real thrill in the drive from Donner to Truckee when the driver was arrested.

Party Time—

Cheryl Lynn, daughter of Mr. and Mrs. Roger Rockholm, was feted on her second birthday. Saturday, April 14, Party appointments and gifts made the day a happy one for the little girl.

Party at Quincy—

Mr. and Mrs. Robert Gifford motored to Quincy Sunday where the April 18 birthday of their two-year-old daughter, Edna Marguerite, was observed at a family party.

Move to Oakland—

Mr. and Mrs. Kenneth Hedlund left for Oakland where they expect to make their home. The couple has made many friends during their activities in community affairs who will regret their decision to leave.

From Susanville—

Mr. and Mrs. Gerald Elledge and daughters of Susanville were guests at the George Kaspian's home here on Sunday.

Rotarians Hear Speaker On Automotive Future

Dalton G. Feldstein, Sacramento civic leader, was the speaker Monday evening at Rotary Club. He spoke on the future of the automobile industry and revealed many revolutionary changes that are contemplated during the next five years.

Members of the Tahoe City Rotary Club were guests at the meeting. Among others who enjoyed the program were Pike Boehm, L. I. Russell, W. T. Ramsey, all of Truckee, and Don Huff of Woodland and Home-

wood. Five Rotarians and a Truckee Lion attended the Monday noon meeting of the Quincy Rotary Club. They were Tom Buell, Art Couillard, Jerry Lewis, William Curran, Jim Sherritt and Pike Boehm.

According to program chairman John Richards, the speaker for the April 23 meeting will be

County Assessor William Tam-blyn who will speak on taxation as it affects the Truckee area.

Returning from Oakland—

Mrs. Mary Zunino is expected to return this week from Oakland where she has been visiting relatives.

Father Here—

Burrell Pool of Fort Bragg spent several days this week visiting with his son-in-law and daughter, Mr. and Mrs. James Walker.

Klamath Falls Vacation—Mrs. Amelia Mirata returned Sunday from a week spent at Klamath Falls with relatives.

CARD OF THANKS

Because it is impossible for me to see and thank each one of you personally, I take this means of expressing my most sincere appreciation for the many kindnesses shown us during our recent bereavement.

—Mrs. Edith View and family

Tarzan

by EDGAR RICE BURROUGHS®

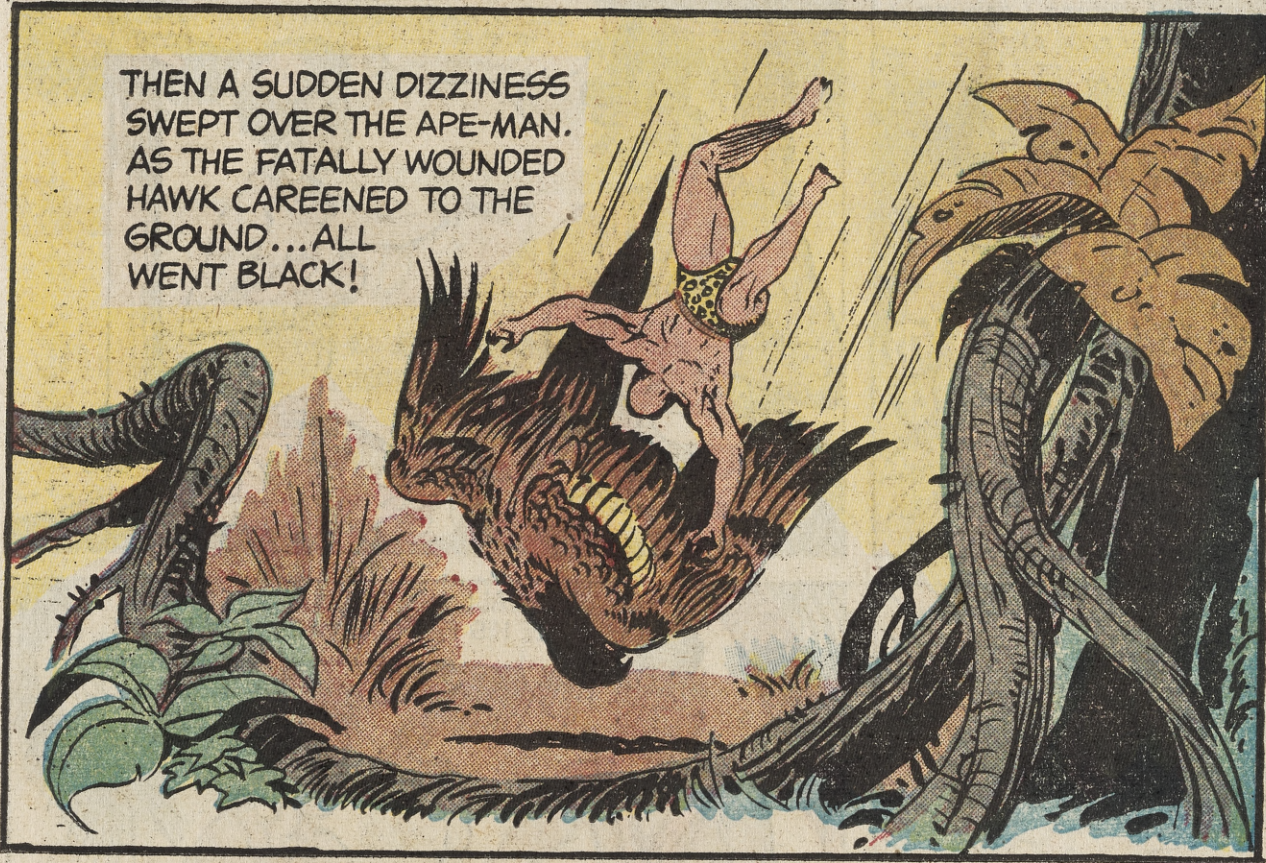

STILL DWARFED, TARZAN
WAS SNATCHED UP BY THE
SHARP TALONS OF A HAWK!

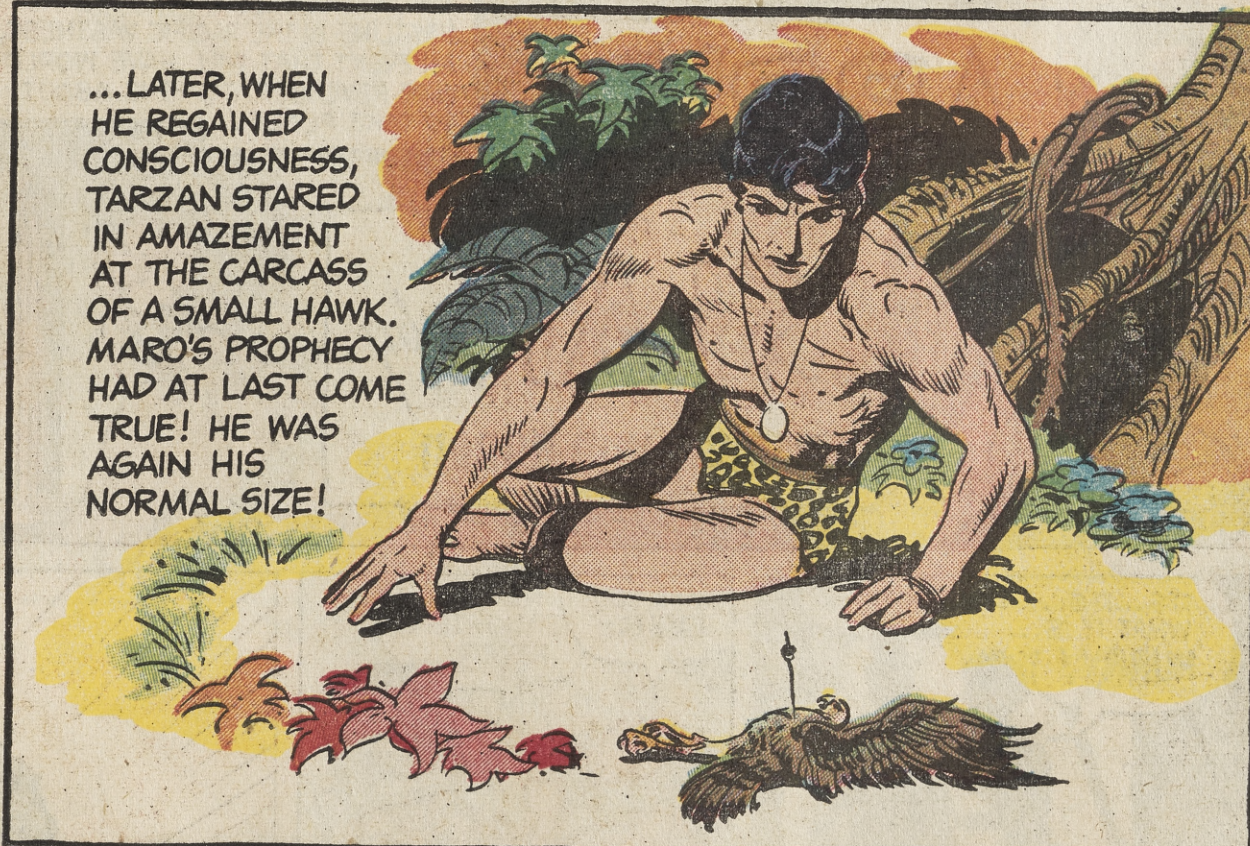

HE SLASHED FURIOUSLY
AS THE HAWK ROSE INTO THE
AIR AND CARRIED HIM HIGH
ABOVE THE MYSTERIOUS VALLEY!

FINALLY, THE GREAT BIRD SCREECHED IN PAIN
AS TARZAN PLUNGED HIS SWORD
DEEP INTO THE FEATHERY BREAST.

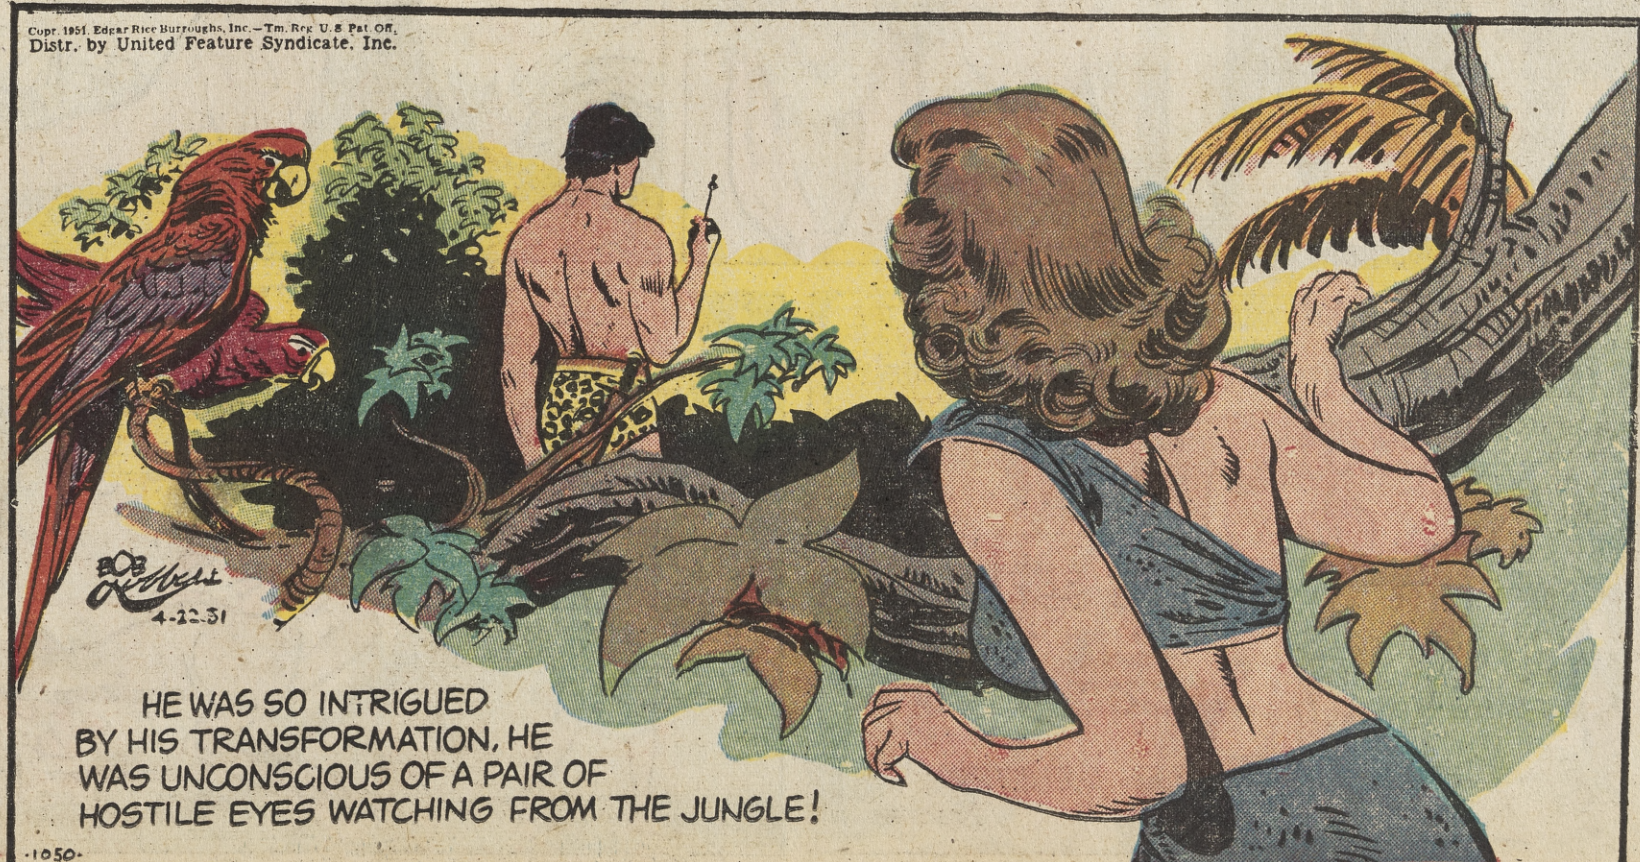

THEN A SUDDEN DIZZINESS
SWEEPED OVER THE APE-MAN.
AS THE FATALLY WOUNDED
HAWK CAREENED TO THE
GROUND... ALL
WENT BLACK!

...LATER, WHEN
HE REGAINED
CONSCIOUSNESS,
TARZAN STARED
IN AMAZEMENT
AT THE CARCASS
OF A SMALL HAWK.
MARO'S PROPHECY
HAD AT LAST COME
TRUE! HE WAS
AGAIN HIS
NORMAL SIZE!

SMILING, HE PICKED UP THE TINY SWORD
WITH WHICH HE HAD DEFENDED HIMSELF.

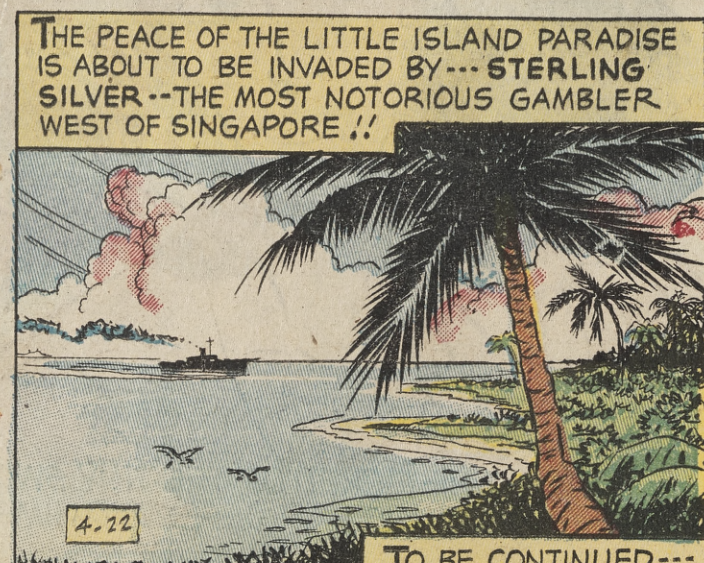

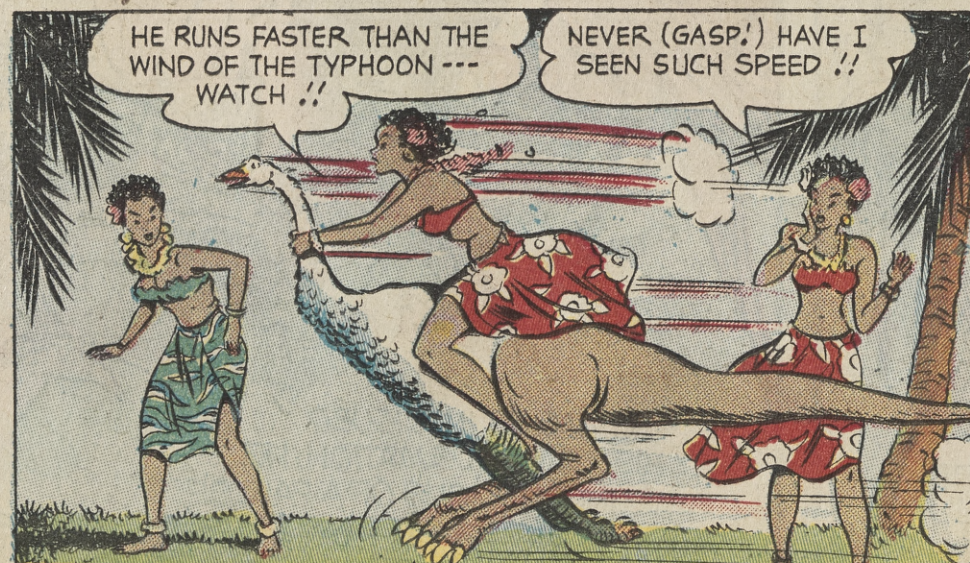

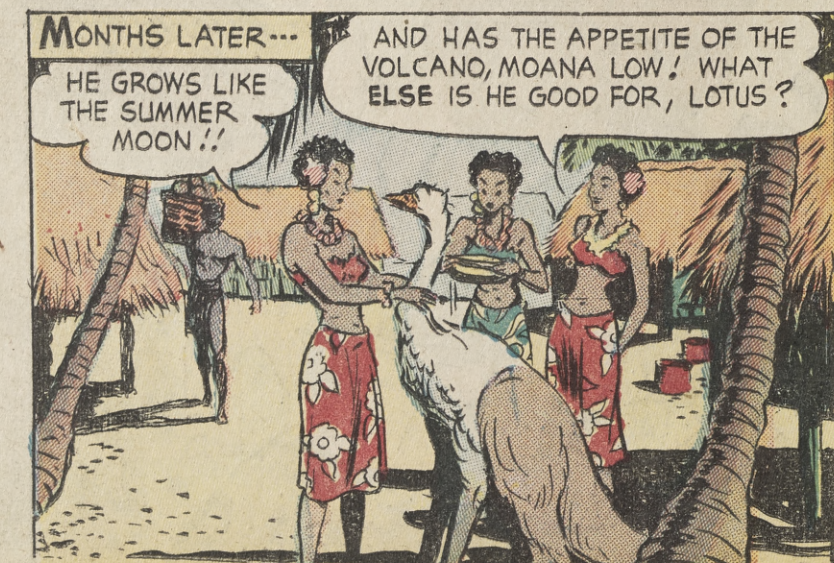

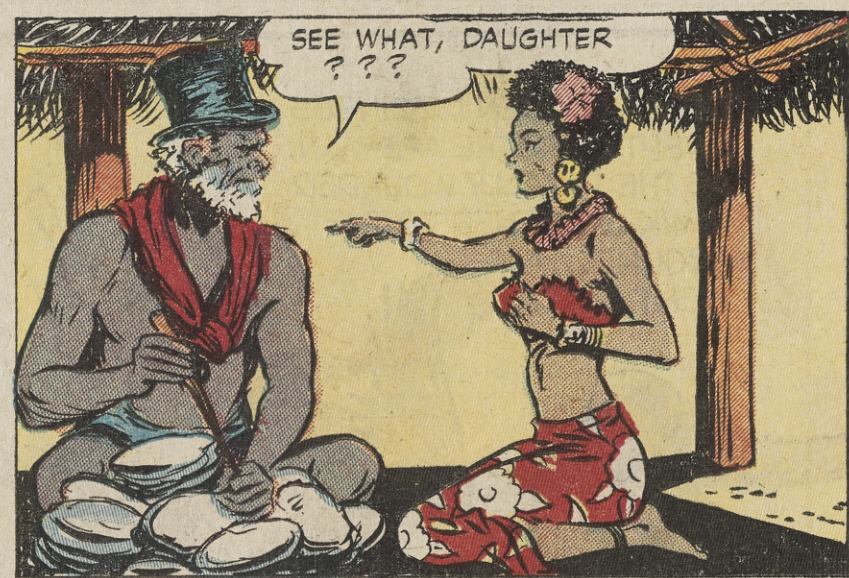

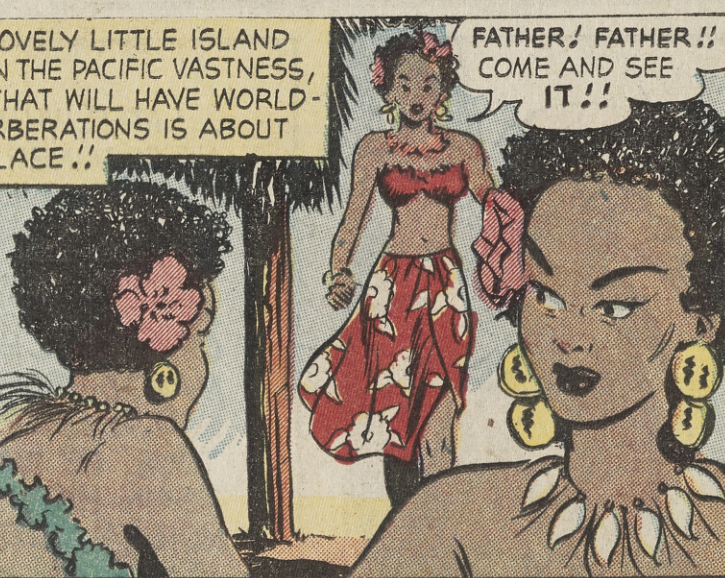

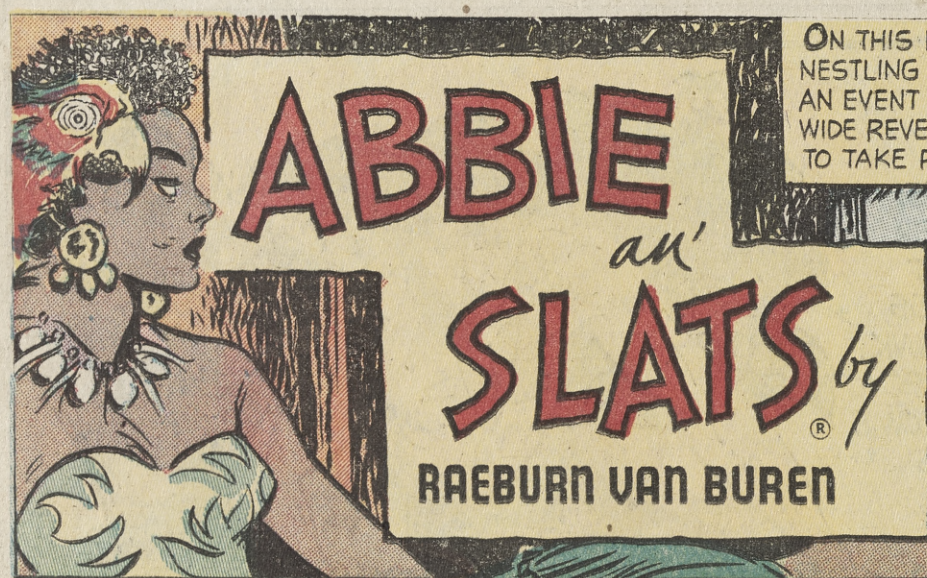

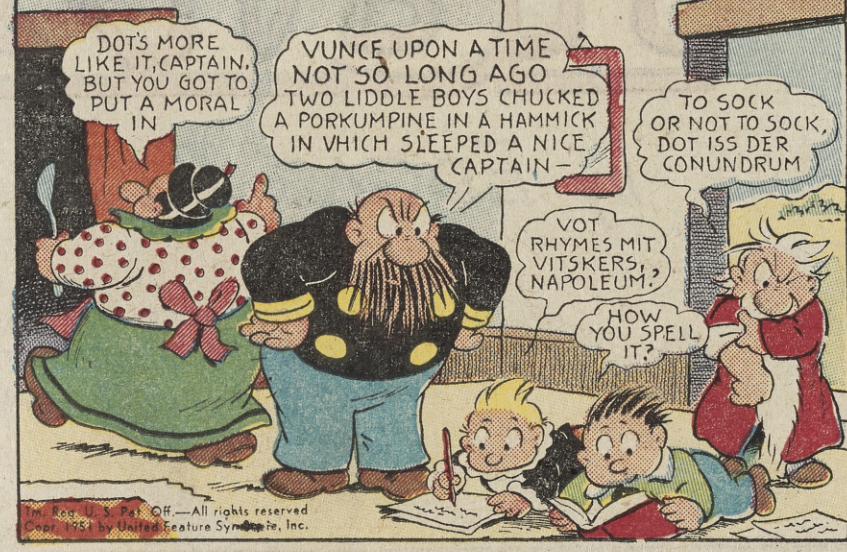

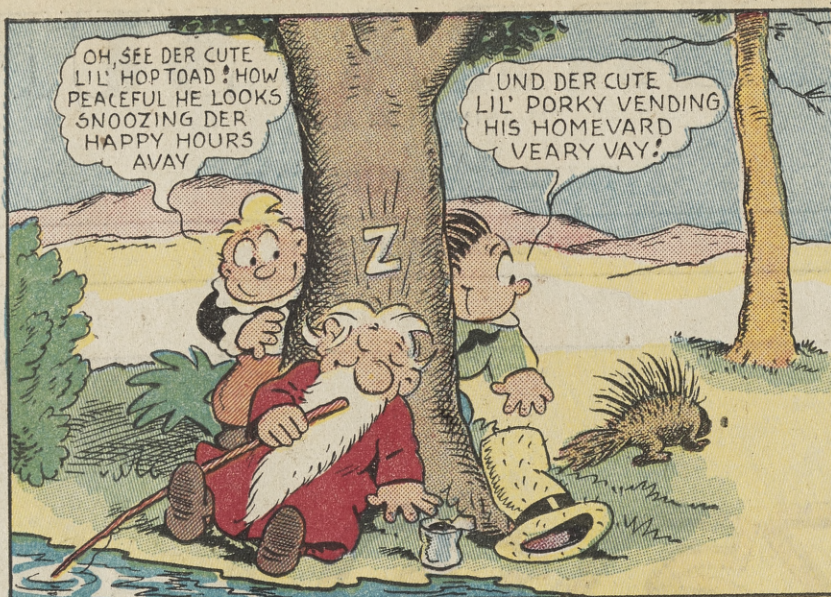

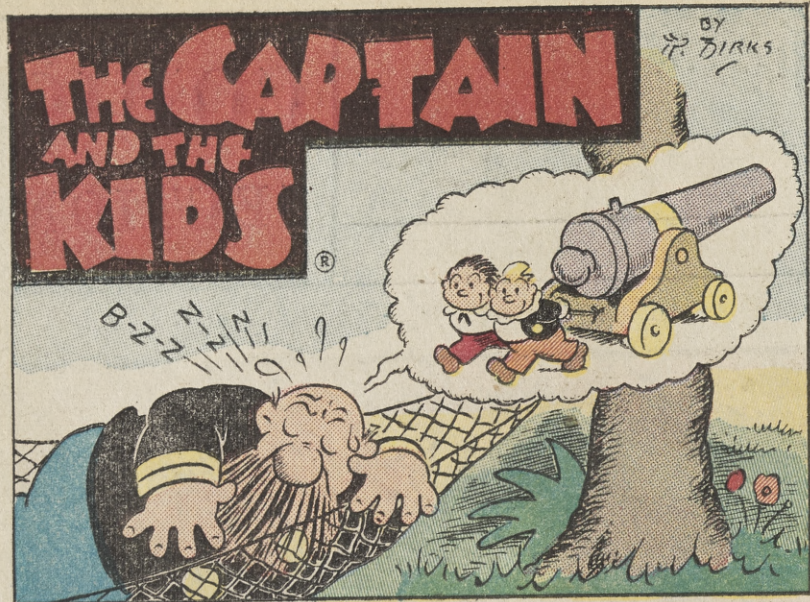

HE WAS SO INTRIGUED
BY HIS TRANSFORMATION, HE
WAS UNCONSCIOUS OF A PAIR OF
HOSTILE EYES WATCHING FROM THE JUNGLE!
